

Request for proposals (RFP) for: Regional Projects Manager – Asia

The Zoological Society of London (ZSL), a charity founded in 1826, is a world-renowned centre of excellence for conservation science and applied conservation, working in over 50 countries around the world.

Since 2007, ZSL's EDGE of Existence programme (www.edgeofexistence.org) has sought to conserve the world's most Evolutionarily Distinct and Globally Endangered (EDGE) species through raising awareness, initiating conservation and building capacity in countries in which they occur.

You are invited by us ("ZSL") to submit a proposal for the provision of services detailed in the requirement section of this document. Your Proposal must be received by midnight UK time, Sunday 16th Sept 2018.

It is the responsibility of all Proposers to ensure that their response (Proposal) is received no later than the appointed time. ZSL may undertake not to consider Proposals received after that time. ZSL are not bound to accept the lowest priced or any Proposal and shall not be bound to accept the Proposer as sole supplier. Prices quoted shall remain firm for the duration of the contract. All applicable tax must be clearly shown.

The Proposal will be evaluated using the following criteria and weightings:

Evaluation Criteria	Weighting
E.g. Quality (logic, thoroughness, well-researched, clarity)	30%
E.g. Price (criteria – overall cost)	10%
E.g. Technical Merit (experience with providing technical support, project planning, project development, sampling methodologies, analysis and interpretation of results, logistics fundraising, promotion and media outreach)	60%

IMPORTANT: Proposers must confirm their intention to submit a Proposal by Monday 3rd September 2018. Please see section 1.6 Proposal Acknowledgement for instructions on how to do this.

Enquiries and responses regarding this RFP should be addressed to Claudia Gray at ZSL's EDGE of Existence Programme via email claudia.gray@zsl.org.

Yours sincerely,

Nisha Owen
EDGE of Existence Programme Manager

2. THE REQUIREMENT

<p>INTRODUCTION</p>	<p>The Zoological Society of London's EDGE of Existence Programme is seeking a Consultant Regional Projects Manager to support all EDGE activities within this region.</p>
<p>SUMMARY</p>	<p>This Consultant, under the supervision of the EDGE of Existence Conservation Biologist (based at the ZSL headquarters, London, UK), will oversee EDGE Fellows and work with other EDGE partners within Asia. The Consultant may be home-based or sit within a mutually agreed nominated organisation, with regional and international travel as required.</p> <p>The contracted consultant will be a resident of one of the following countries: Bangladesh, Bhutan, Cambodia, China, Hong Kong, India, Indonesia, Laos, Malaysia, Myanmar, Nepal, Philippines, Pakistan, Singapore, Thailand, Vietnam. We have a preference for the countries given in bold due to the greater likelihood of new EDGE fellowships in these countries in 2019.</p> <p>They will provide an important support service for ZSL's EDGE of Existence Programme, providing technical and logistical support for regional EDGE projects, including Fellows, training courses and expeditions as appropriate; as well as assisting with regional promotion and fundraising.</p>
<p>DELIVERABLES</p>	<p>DELIVERABLE 1: Ensure successful Fellowship completion (including all outcomes) for 3 existing Asia Fellows and 19 new Asia Fellows, and assist in the selection of new Asia Fellows.</p> <ul style="list-style-type: none"> • In collaboration with the EDGE Conservation Biologist and EDGE Marine Biologist, provide ongoing mentorship to Fellows, and contact with Fellows' supervisors, including technical support focussing on project planning, project development, implementation, sampling methodologies, analysis and interpretation of results. • Promoting regional EDGE Fellowship calls, reviewing relevant applications against application criteria and sourcing relevant experts to review project proposals. <p>DELIVERABLE 2: Assist with delivery of the EDGE Conservation Tools training course.</p> <ul style="list-style-type: none"> • In collaboration with the EDGE Fellowship Manager, coordinate the logistics of training courses, primarily the regional four-week EDGE Conservation Tools training course (scheduled for Jan/Feb 2019) with support from the EDGE team. • Assist the EDGE Conservation Biologist, Fellowship Manager, Marine Biologist and other staff with teaching on the courses, according to expertise. <p>DELIVERABLE 3: Undertake field visits to Fellows, projects, courses and expeditions as required.</p> <ul style="list-style-type: none"> • Undertake visits or assist ZSL staff to undertake visits to EDGE Fellows and ZSL projects, which may include expeditions, as required.

	<ul style="list-style-type: none"> • To include planning, logistics, budgeting and implementation of visit and delivery of technical support and supervision during visit. <p>DELIVERABLE 4: Secure further funding and prospects for EDGE activities in Asia and deliver on management and reporting obligations for existing funders.</p> <ul style="list-style-type: none"> • Lead on and support other staff and Fellows within the programme in the production of funding proposals, for both large and small grants for fellowships and projects in Asia. • Maintain, develop and build effective working relationships with existing and prospective partner organisations throughout the region. • Maintain, develop and build effective working relationships with regional sponsors and donors in order to generate and secure funding for the EDGE of Existence programme, including providing timely information for reporting to donors. <p>General responsibilities in addition to deliverables above:</p> <ul style="list-style-type: none"> • Represent ZSL and the EDGE of Existence programme to the scientific community and the general public in the region and provide information as needed for use internally by ZSL. This may include talks, conferences, workshops; and media opportunities such as television, radio and newspaper interviews; and the publication of both popular articles, survival blueprints and scientific papers. • Assist with administrative support for existing Asia projects and Fellows.
REQUIREMENTS	<p>Expectations of Consultant</p> <ul style="list-style-type: none"> • The ability to build and maintain strong working relationships with staff and EDGE Fellows through remote communication (such as skype/email/phone) is essential, as advising, mentorship and training forms a major part of this role. • To ensure that technical or methodological concepts are fully understood by EDGE Fellows from a range of cultural and language backgrounds at different levels of expertise. • Develop and maintain good working relationships with current and potential regional partner and donor organisations, communicating the aims and achievements of the programme in an engaging fashion. • To ensure that the ZSL policy for equality of opportunity is adhered to and promoted in all aspects of the Consultant's work. • To ensure effective quality control and continuous improvement in all aspects of the work and responsibilities attached to this Consultancy. • Demonstrate professionalism towards sensitive and confidential information in line with the ZSL confidential information policy. • To comply with and promote ZSL Health and Safety policies and procedures and to undertake recommended Health and Safety training as and when necessary.

	<ul style="list-style-type: none"> • To be committed to professional self-development, through participation in in-service training as necessary for the successful carrying out of the job. • To undertake such other duties as may be required in line with the consultancy. <p>Working Conditions</p> <ul style="list-style-type: none"> • The consultant may be either home-based or within a nominated organisation, as mutually agreed, within South or East Asia. • Able and willing to work long hours and over weekends when required, for example on training courses or project visits. • A significant proportion of the consultant's time will be spent in field conditions, providing training, and undertaking project visits/expeditions. • The consultant will be expected to travel to London periodically, to ZSL's Headquarters. <p>Qualifications & Experience</p> <ul style="list-style-type: none"> • Post-graduate qualification in a relevant subject or relevant experience (minimum MSc, PhD preferred) • Expertise in conservation and research of at least one of the EDGE focal taxonomic groups (mammals, amphibians, reptiles, birds, corals). • Experience teaching, mentoring or advising on conservation activities. • Experience in coordinating conservation or development projects. • Experience in the logistics of running training courses and/or project activities. • Experience in the planning, funding, implementation, reporting and promotion of conservation projects. <p>Knowledge</p> <ul style="list-style-type: none"> • An advanced understanding of conservation research and conservation project design • Knowledge of a range of ecological and social science survey and analysis techniques <p>Skills & Abilities</p> <ul style="list-style-type: none"> • Fluent in written and spoken English and at least one other language • Skills in using MS office packages, specifically Excel and PowerPoint and in data analysis tools including statistical (ideally R), GIS (ideally QGIS) and database (ideally Access) software. • Excellent written communication and interpersonal skills and the ability to secure trust and co-operation. • Ability to communicate effectively with colleagues remotely. • An ability to manage competing priorities effectively. • An ability to work well under pressure. • A valid driver's licence and appropriate field training. <p>References</p>
